ASRIJ WEBSITE REVIEW

1. **TOP BAR:** Remove Home, About us, Contact us options

Requirement: Make it Only three lines, like as per image. So in the top bar only Logo, so these 3 lines would be there.

2. **Donor /Receiver Button:**

On website:

Requirement:

- i) Add a Volunteer Options and make buttons bigger size.

- ii) Register form wants to open after clicking buttons.

iii) Donor Registration Form:

- Add an option Individual, NGO, Charity
- " * " Pin is always Mandatory
- Add age or Year of Birth only
- Add Last date of blood donation. (Starting from First time)
- Add the tick option for the same number using the whatsapp number.
- For address Manually Block, District, Pin, State / Add location by Select GMAP (If Possible)

iv) Receiver Registration Form:

- Add Blood Group Option
- Location and " * " Pin is always Mandatory

v) Volunteer Registration Form:

1. Option Individual/ NGO/ Charity (If Individual refer to Donor Form)
2. For NGO/Charity
 - Registration Number
 - Location
 - Group Quantity
 - President Name & Number
 - Secretary Name & Number
 - Account Name & Number
 - Members Name & Number
 - Member add option & Member Position change option

3. **Find Emergency Ambulance Contact:** Pin is okay.

Requirement: Pin wise is okay but we think about also searching by Location Name.

4. **On Road Support:**

- Add an option Contact Person Name, Number
- Add option Self Support Button.

5. **General Requirement:**

- Add an option for user registration.

- Sign in Option for 1 point.
- Add verifications with OTP for all users.

6. **Bottom Bar** : It's Okay.
